The Credit Union is transitioning into an exciting time with new programs. Do you want to be on the ground floor? There are 2 three-year term Director positions to be filled by election. If you are interested in serving on the Latrobe Area Hospital Federal Credit Union Board of Directors, notify the Credit Union office.

Names will be given to the nominating committee to verify the member's desire to serve and then will be placed on the official ballot. Please come out to the meeting and see what the Credit Union has in store.
