

Statement to Members Concerning COVID-19

Latrobe Area Hospital FCU and its Board of Directors would like to address any concerns that members may have in regards to our operations and COVID-19. As an essential business, we will remain open to serve our members. Our staff is taking precautions at our location, wiping surfaces diligently after every use, using hand sanitizer and applying good hygiene practices.

Latrobe Area Hospital FCU has provided members the opportunity to utilize online banking, mobile banking (with remote deposit of checks), ApplePay, Samsung Pay and Masterpass (for debit cards only). We will still be here for loans and your cash needs, we are asking all members that come into the office to please use the provided hand sanitizer station located outside of our door before you enter. Our staff and our operation is vital to our membership and we all need to do our part in prevention of the spread of COVID-19.

If you require assistance in setting up any of the above items, please do not hesitate to contact one of our staff members at (724) 539-8820 and we can help you get signed on. Members can do most things online or on the app except for getting cash (i.e. transfers, bill pay, message our staff, pay on credit cards and starting a loan application).

Latrobe Area Hospital FCU is always trying to help our members and we will continue that effort during this trying time. We want everyone to know that if any financial hardships occur to our members we will do everything we can to assist. We would like to let everyone know that if you need a signature loan to get by or need to refinance a current loan we are here to help, please call our staff.

In effort to abide by the social distancing recommendation, we will be postponing our annual meeting that was to be held on April 20th, 2020 to a date to be determined by the Board of Directors after this pandemic has subsided. All members, please be safe and if you need anything please let us know.

Thank you,

Management

Latrobe Area Hospital FCU
